### **Strategic Report for the Year Ended 31 March 2025**

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 March 2025, in compliance with s414C of the Companies Act 2006.

#### **Achievements and performance**

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at success of each key activity and the benefits they have brought to those groups of people we are set to help. The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities, In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The focus of our work

The strategies we used to meet these objectives included:

- Providing supported living accommodation to address the need for supported living services in the Dudley area, particularly for people experiencing homelessness and individuals with disabilities or mental health conditions. In providing support living accommodation, we work with individuals to increase each person's independence over time, for example by trying new things and gradually reducing the amount of support needed. Currently we accommodate three individuals. Not only do we work holistically and individually with the people we house, but we encourage them to access the services we provide at our hub, which are listed below and open to anyone facing disadvantage and challenges in Dudley.

- Providing a community space and warm hub for group and social activities and events that promote social inclusion and combat isolation. We put people at ease by offering activities such as dominoes, cards, chess and other board games, gradually bringing in group discussions on mental health and well-being. The following activities happen at our community hub.

- Providing a range of on to one support and guidance from our community hub to people who need this. Support and guidance includes: general advice, benefit advice, completing forms for those who struggle understanding them, support advice and housing advice to our service users and the wider community. We also recognise that we cannot be everything and provide all the services people may need so we signpost them to accessible facilities including GP surgeries (supporting people to register with a GP where needed), other local agencies and healthcare providers to ensure a coordinated approach to care and support.

- Combating food poverty by providing access to food. Cadrene Supported Living is an agent to dispense food vouchers to the community on behalf of the local authority and offers "food share" - good food that would be thrown is collected and distributed to the homeless, vulnerable adults and children who are struggling to feed themselves and their families.

### **Strategic Report for the Year Ended 31 March 2025 (continued)**

#### **Financial review**

Against the backdrop of limited resources and insecurities over funding, it has continued to be difficult to plan or develop services. Nevertheless the charity, with the aid of sound financial management with the support of both its staff and volunteers have generated a very positive financial outcome for the period with a revenue carry forward balance of £30,137. It's success in securing new funding from the National Lottery, Enterprise Nation, Pedmore Supporting Club and Black Country Food Bank, will provide much needed additional resources.

#### ***Policy on reserves***

The trustees are working towards building reserves of at least 3 months' operating costs in order to protect services where there are uncertainties as to whether funding will continue and to ensure adequate cash flow for the organisation's needs. In the short term the Management Committee has also considered the extent to which existing activities and expenditure could be curtailed, should such circumstances arise.

#### **Plans for future periods**

##### ***Activities planned to achieve aims***

The charity has been given planning permission to increase the accommodation from 3 bed to a 4 bed property, also to look at purchasing another property by way of loan or mortgage. This will ensure that the charity can remain self-sustainable for the present future. The charity's aims and targets for the coming year are to continue expanding on its current services and programs.

##### ***Principal risks and uncertainties***

The Management Committee has conducted a review of the major risks to which the charity is exposed. A risk register has been established and will be updated at least annually. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the Housing Accommodation and Hub centre. These procedures are periodically reviewed to ensure that they continue to meet the needs of the organisation.

The strategic report was approved by the trustees of the charity on 7 July 2025 and signed on its behalf by:

Mr G Reid  
Trustee

### **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2025.

#### **Objectives and activities**

##### ***Objects and aims***

The relief of poverty among people who live in the borough of Dudley by providing accommodation, advocacy, guidance and support to individuals in need. To promote social inclusion for the public benefit by preventing people in the Borough of Dudley from becoming socially excluded, relieving those people who are socially excluded and assisting them to integrate into society.

##### ***Public benefit***

Our organisation's scope and funding constraints limit the services we offer to residents in Dudley. While our reporting structure continues to improve, our database survey reveals the current usage levels of our services as outlined below. We can present the percentages across the support criteria as follows:

##### **Support criteria overview:**

1. Achieve support and access to benefits: This category aims to assist individuals in accessing benefits and support. The data indicates that there was 555 (previously 202) services users which equates to a 64% (Prev 28%) level of engagement relative to overall usage.
2. Healthy & Wellbeing including Food Bank: The Food Bank service exhibits the highest usage, of 282 (prev 438) services equating to 32% (Prev 61%) of overall engagement.
3. Homeless to stability housing: Housing support sees lower engagement of 11 (Prev 48) service users, with only 11% (Prev 7%) accessing this service.
4. Sign post to Health services: Signposting to Health Services shows minimal engagement, of 25 (prev 31) service users accounting for only 3% (prev 4%) of overall usage.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

- select suitable accounting policies and apply them consistently;

#### **Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Cadrene Supported Living as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

##### **Income and endowments**

##### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.
